A reminder that the Annual General Meeting of Hockey Manitoba is May 10 - 12, 2002. Every Minor Hockey Association has a vote at the Saturday session. Please make sure your association is represented. This is where the decisions are made and YOU can play a part in these decisions.

You should be getting your copy of all "notices of motion" pretty soon. When you receive them, please call Bill or Doug if you have any concerns on any of them.
