Helen gave a brief financial report and stated that the audited report could not be done in time for the meeting but that it will be available at the scheduling meeting.

Dale Fossay spoke on rule changes, i.e.: Double rostering, extended season (March-April), directors meeting next weekend, and provincials.

Jack Forsyth spoke on the center red line option, NO body checking at Atom, boundaries committee, volunteer recognition program and fielded some discussion on the possible amalgamation of Pembina Valley and Central Plains, pointing out that that idea was his own and at no time did it come from the committee.

Bill Lawson gave his registrar's report, pointing out some of the changes. He had a handout for every association to take home outlining the do's and don't's.

Pembina Valley is eligible to host three tournaments this year, the Pee Wee D boys, the Atom B boys and the Pee Wee B girls. Please get your request in to Bill before the weekend so he has that information for the meeting. If there are any other tournaments you might be interested in hosting please let Bill know. There might be tournaments that come up for grabs.

Central Plains will have their own league for Novice and Atom this year.

The format for our league as per the last minutes were presented to the meeting and seemed to be well received as it would eliminate a lot of travel. I'm sure that all of you wrote down the possibilities so I will not put them in the minutes as things could change somewhat depending on team placement and numbers.

Motion: Michael/Don to adopt 2 divisions with E/W and possible N/S split to be determined by the executive.

Carried

Michael asked for list of executive positions for all associations by the end of the week.

Motion: Bob Last/Don that we accept Glenboro, St. Claude, MacGregor, St. Eustache and Oakville into the league for the coming season.
