An error in the last minutes should have read Morden is hosting Pee Wee AA provincials.

The next Christmas meeting has been booked for the first Friday in December so mark your calendars in red for December 3rd, 2004.

Female Hockey- Louise reports that things are running smoothly.

Novice – Myron says that the few problems there were, are ironed out and the team that wanted to be moved will finish the year.

We received three applications for the Pembina Valley Novice Regional tournament.

Motion: Myron/Bert that the Regional tournament be awarded to Manitou. Carried. They will be using both the Manitou and the Somerset rinks. The date will be posted on the web site.

Atom- Jim and George report that they had requests from Notre Dame to go to silver but have now decided to stay where they are. Game sheets are somewhat slow in coming in.

Please make sure ALL your standings are in to Bert by December 21 to be posted on the website before Christmas break.

Pee Wee – very quiet except for Macdonald. One individual seems to feel that Pembina Valley has forced them to split their teams and they are now at a distinct disadvantage. This team refuses to play certain other teams.

Motion: Doug/Bert that Macdonald Pee Wee Silver 1 pay a \$150. bond for refusing to play two games. Carried

Midget- Bert says that things are going pretty good, only difficulty is keeping track of accumulative penalties. It was decided to track penalties in all games that game sheets are received, including tournaments and exhibition games.

Web Page - A message board will now be available on our website. This is for listing tournaments from outside the region, or if you have extra ice time and looking for teams to play, listing of used hockey equipment etc.

For next year we will require a contact complete with mailing address and email or you won't be handed your cards at the scheduling meeting. So be prepared.

Bert will look after the P.O.E. program and the Minor Development program will be handled by Myron for the West and George for the East. The Directors Cup will be looked after by Jim and Cal.

Will post coaching positions on the website right away. The deadline for Development coaches both east, west and central is January 31, 2004.

The Females are thinking of running two camps this year, one for the midget and one for the bantam. Marguerite will help Louise and Doug is willing to lend a hand as well.
