

PEMBINA VALLEY MINOR HOCKEY MIDGET POLICIES FOR 2011-2012

All suspensions must be served in league play or sanctioned tournament games, no exhibition games and must be served with the team the player is rostered with.

Not using proper game sheets is a \$25 bond per game sheet

The home will supply pucks for warm up

All game sheets must be faxed to convenor within 24hrs after game. (If incident has occurred in game and ref report has been filled out, please phone convenor after the game to let him know)

Make sure all refs, timekeepers and scorekeepers have signed the game sheet, and the names can be read. All hits from behind, and major penalties must have ref report filled out (The incident report is on the back side of the white game sheet.)

The refs do not hand out suspensions. The Director hands out suspensions.

Midgets will use the 3-man system in all games. The officials should be at least 2 years older than the age category they are refereeing and the head official must have his level 3 or higher.

When league games are rescheduled the convenor must be notified of the date change within 24hrs.

Teams can only cancel games due to weather, no ice due to arena malfunctions or team illness with 48 hrs notice and the okay from the convenor.

Teams cannot reschedule any more than 2 games before Christmas and 2 games during the remainder of league play.

Midget will play 3-20 minute periods (All periods are stop time.)

When a team is losing by 7 goals, the clock will run straight time at anytime in the game. All minor penalties will be 2 minutes, even in straight time.

Midgets will follow high school rules. (These rules can be found on the Zone 4 website.)

Some rules will be changed by the convenor and all teams will be notified.
