Hockey Manitoba has communicated to all minor hockey associations the changes to our registration procedures. These changes include the elimination of the paper version of the official team roster, removal of signatures and the collection of membership fees. Please reference Information Bulletin No. 11-01 which can be found on our website.

Hockey Manitoba would like to remind all associations that player and team registration will only be available through the Hockey Canada Registry. Training sessions have been identified for each region and are available for signup. Additional training sessions will not be offered after these dates so you are encouraged to register now to ensure that your association is prepared for registering with Hockey Manitoba.

To register your association, go to <http://www.hockeymanitoba.mb.ca/hcr.php> or locate the banner (pictured below) on our home page at [www.hockeymanitoba.mb.ca](http://www.hockeymanitoba.mb.ca) and follow the steps as indicated.

Thank you.
